

ZX18PBS - 8" Slim subwoofer box

200 W RMS Slim subwoofer complete with slim grill for minimum space

The compact ZX18PBS is less than 13cm deep, with the grille and therefore slides easily into a car boot. And its size isn't the only great feature: it is also easy to use and delivers quality sound performance thanks to its 8" subwoofer that has 400 watts of max power.

The box is delivered with brackets, screws and L & Z brakes to be able to mount it in many different ways including making it a down firing sub ZX18PBS can be fixed in various locations in your vehicle and it perfectly completes a 2 or 3-way audio system while remaining discreet and delivering precise and dynamic. The perfect stealth box!
